Subject: Report for Middle East Gasshuku - Cairo JAN 2017

Dear JKA HQ, Dear Shihan Ueiki,
Dear Shihan Ogura, Dear Shihan Okuma,
Dear All JKA HQ Senseis and Senpais,
Dear all JKA MEA Leaders and Karatekas,

On behalf of all JKA MEA countries, committees, and karatekas, I would like to extend a huge thank you for supporting **JKA-MEA and north Africa Gasshuku in Cairo JAN/2017**.

For once again, **Shihan Ogura and Shihan Okuma** have provided endless support to MEA & North Africa.

First MEA Gasshuku, was organized by the **late Shihan Okamoto in 2007, and here we did it again in 2017**.

The Gasshuku was very informative because of Shihan Ogura and Shihan Okuma.

All sentai and hian katas plus kihon and kumite were covered and explained.

Leaders and karatekas from MEA, were impressed by JKA's strength and performance.

Ten countries attended the gasshuku: Kuwait, Bahrain, KSA, Oman, Iraq/Kurdistan, Jordan, Egypt, Morocco, Libya, Algeria, and we also had an international visitor from JKA Sweden and JKA Cyprus.

Our Gashuku Shihans, had a very special promising meeting with MEA leaders, to discuss future of JKA in the Middle East and north Africa region.

The Gasshuku was also attended by many eminent society personalities such as University Dr.'s, Engineers, Businessmen, and an Ambassador, as well as a group of hard working karatekas and young JKA members.

Also it's the time to announce that JKA is alive again in the Middle East area!

The MEA Gasshuku will be held once every 2 years.

Special thanks to J.K.A HQ for the development of JKA in the MEA & North Africa area.

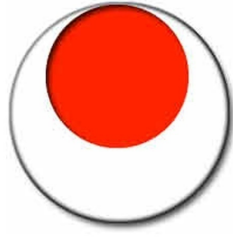

Without HQ support, none of this could have happened.

Following attached are the tournament scores and karatekas who passed dan/qualification exam in MEA.
