Program / Statement البرنامج / البيان

This 5 days JKA Oman training seminar was one of the most successful seminars organized by Sensei Said Alhashami and his team. Naka Sensei was the leader of the seminar, Alhada sensei (JKA UAE chairman) was there for 2 days, German team was there for 5 days with JKA Ethiopian and Pakistan participants. Some karateka from other clubs in Oman also participated in this event. The status "JKA One family" was chosen for this events and it was very beneficial and everybody appreciated the skills and techniques learned across the 5 days. The event was arranged well and most karateka attended on time. The charges for the event was very minimal in order to promote Karateka in the area and to attract more participants from other countries. We decided to hold JKA International seminar in different areas of Oman every February annually. Said Alhashami Sensei had spoken to other clubs in charges to join JKA Oman and they showed strong interest.
