

Dear JKA HQ

UAE JKA had the privilege to participate this wonderful 14th Funakoshi Gichin Cup In Ireland on Aug 17, 2017.

Most of JKA karate students were much excited for this event, excellent performance was displayed by our and other kids and adults in their individual kata & kumite categories or collective . We look forward to a much greater participation in the future.

Many thanks to JKA for all of their support and guidance provided to us. We all hope to a much greater participation in the future.

Kind regards
