

EASTERN SPRINGCAMP 2026 – JKA Belgium

At the invitation of Gneo Sergio Sensei, Chief Instructor of JKA Belgium, Ogura Shihan, Vice Chief Instructor of JKA WF, Taniyama Sensei JKA HQ Instructor, Shimizu Sensei, JKA HQ Instructor, and Hakizume Sensei, JKA HQ Instructor and Kata World Champion, and Ohta Sensei, Chief Instructor of JKA England, led this seminar. They were assisted by Sawada Sensei, along with several Belgian instructors, who completed the technical staff.

Foreign karateka from Germany, Spain, Finland, France, England, the Netherlands, Morocco and even Canada once again elevated this seminar to the status of an international event. A total of 980 practitioners attended this course. All aspects of karate – Kihon, Katas, Kumite and self-defence – were covered.

Gangaku, Goju Shio Dai, Ninjushio, Chinteï, Bassai sho, Sochin, Jitte, Kanku Sho, as well as the basic katas, were taught with great skill. The basics, kime, hip work – everything was covered in depth.

With great determination and a lot of sweat, the karatekas present gave their very best. The JKA seminars organized by JKA Belgium, whilst technically intense, are also wonderful opportunities for camaraderie and exchange between practitioners and with the instructors.

The administrative staff also worked tirelessly to ensure the event was a success; without this whole team, there would be no course – our thanks to them. See you next year, and we're already looking forward to the next JKA Belgium seminar in Ghent from 3 to 5 July 2026.
